2023

A River View

AMONGST THE WOODS

The Starling at Pond Eddy provides a unique and serene backdrop for your family reunion, corporate retreat, or extended-stay event. We partner with farm-to-table chefs, sommeliers, local foragers, and activity instructors to provide a *truly one-of-a-kind* upstate country experience!

Our historic Riverhouse & Cottage are nestled on almost 8 acres of woods overlooking the Delaware River and are conveniently located just 90 miles from NYC. Our dwellings retain much of their late 1800's charm and have been upgraded with modern amenities. To maintain the highest quality of service—as well as an intimate getaway atmosphere—we only host a select amount of private events per year.

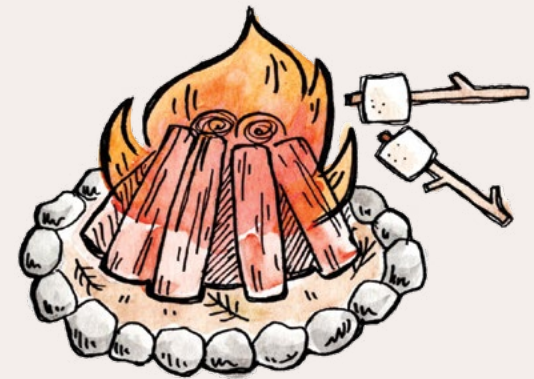

So Many Things

TO DO AND TO SEE

We have several outdoor spaces to accommodate group activities. The back lawn can be used for games or cocktail hour and our upper plateau (a clearing located in the woods overlooking the Delaware River) can support a small banquet-style tent.

Fire pits are located behind both the Riverhouse and Cottage for roasting marshmallows, sing-alongs, and ghost stories. Guests who prefer an indoor set-up can also utilize our General Store, which can comfortably seat your estimated guest count with enough space for refreshment tables or workstations for hands-on activities.

OPTIONAL ACTIVITIES

WILD IDENTIFICATION WALK

This walk winds through the wooded forest behind The Starling at Pond Eddy, however a custom program can be assembled based on interest, timing requests and seasonal availability.

MORNING MEDITATION

Develop a centering mind-body connection with our local meditation expert. Guests will be led on a one hour guided meditation with some gentle body movement work.

Pilates lessons are also available for individuals or large groups. Lessons are hosted by a local instructor and held in our antique General Store or—weather permitting—on the lawn of The Starling at Pond Eddy.

RIVER TRIPS

Enjoy a relaxing float down the Delaware River with our waterway partner, a family-owned business that's been operating for almost 50 years. Conveniently located directly across from The Starling at Pond Eddy, guests can tube, kayak, canoe or raft down the Delaware River and then get a shuttle directly back after their trip.

OPTIONAL ACTIVITIES

AXE + ARROWS ACTIVITY

Join our local experts as they discuss and demonstrate the history and artistry of archery and axe-throwing. The lesson includes set-up and breakdown of all of the materials needed for proper archery and axe-throwing for a group. Please note that this activity is held outdoors in the woods behind The Starling at Pond Eddy.

PRIVATE CHEF AND/OR CATERING

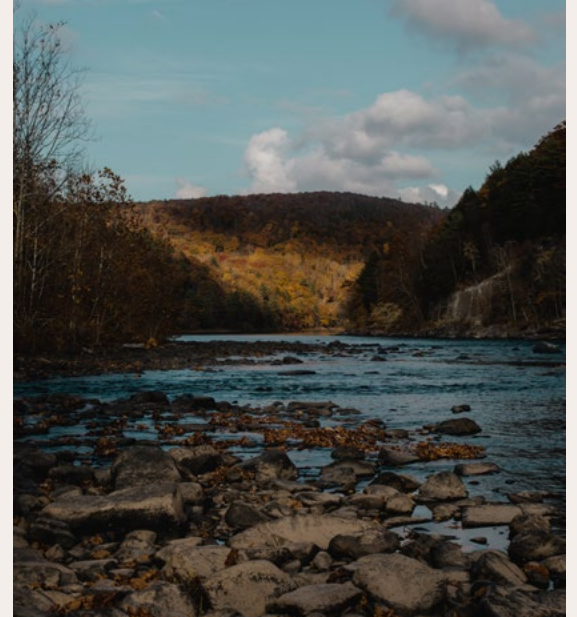

We've partnered with several local chefs to offer full private on-site catering, delivery options and cooking classes. Our chefs work with seasonally available products to provide the freshest customized experience for our guests. Wine pairings and lessons also available upon request.

OUR PARTNERSHIP PROMISE

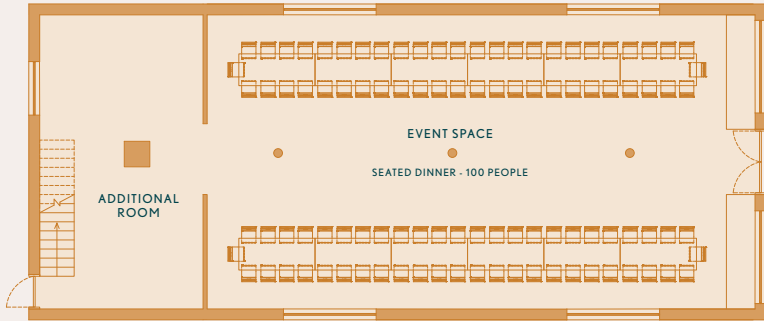

100% of the cost of each activity goes back to the local partner.

By hosting these talented small businesses we hope to reinvest in our upstate community.

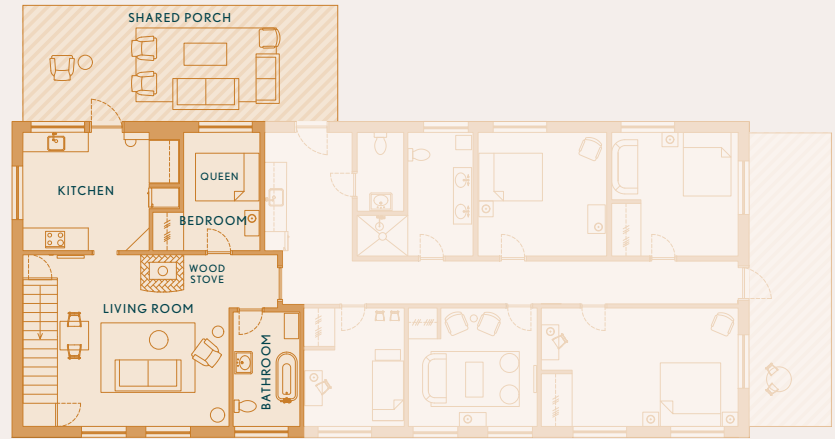

Please contact us for more info about these and other available activities.
